

SPONSORSHIP FORM

- I/We recognize that the **Main Street Market Exchange** is working to serve America and Main Street by offering a PLACE where every day Americans (on Main Street) can look to try to work with each other; by matching talent, and experience, and mentorship, and investment into Main Street's revenue generating plans.

- I/We agree with the **Main Street Market Exchange** regarding the facts that: a.) We ought to try to invest in Main Street and each other.
b.) The financial playing field hasn't always been fair to everyone.
c.) We have sent all of our investment money up to Wall Street – to invest in their PLANS – and they do not reciprocate. It's time for Main Street to have its PLANS considered and invested in.

- Each of us deserves access to the **American Financial Dream**. Each of us deserves the right to prosper by having the opportunity to participate fully in the Free Enterprise system in a REAL and CONCRETE way.

- The **Main Street Market Exchange** offers the PLACE, and the GUIDE, and the TOOLS, and the PROPRIETARY information to make this happen.

- We recognize that the **Main Street Market Exchange** has a daunting task. And we recognize that they (the MSME) are going to work continuously to get better. They'll continuously work to upgrade their site, their delivery system, they'll revise and improve their methods.

- We understand that they will continue to work to pursue the regulatory approvals so that they can soon broker deals and work to list investments for trade (buying/selling)...similar to the way they do it on Wall Street

- I/ We _____ believe that The Main Street Market Exchange is good for America, and good for Americans. I/We stand with them in their desire to help Americans to prosper. And I/We encourage those who can, to join us to Sponsor the Main Street Market Exchange.
